

Books by Michael Zakim

from the University of Chicago Press

Accounting for Capitalism: The World the Clerk Made 272 pages | © 2018

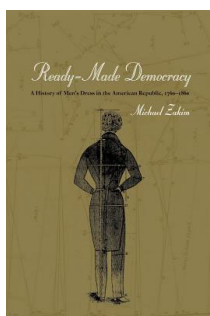

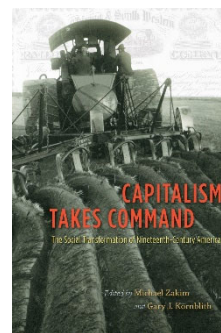

“Excellent. Perhaps the most thorough book I know on the importance of small innovations.”—**Tyler Cowen**, *Marginal Revolution*

“Rigorous and insightful.”—*LSE Review of Books*

Capitalism Takes Command: The Social Transformation of Nineteenth-Century America 368 pages | © 2011

Edited by Michael Zakim and Gary J. Kornblith

“This essay collection deeply enriches our understanding of the process through which the United States became a capitalist nation.”—**Choice**

Ready-Made Democracy: A History of Men's Dress in the American Republic, 1760-1860 306 pages | © 2003

“A brief review cannot do justice to the complexity of Zakim’s argument or to the multifaceted nature of his book, which literally bursts its seams.”—**Business History Review**

MICHAEL ZAKIM teaches history at Tel Aviv University.
